Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on our schools' 2023-24 educational progress. The AER addresses the complex reporting information required by federal and some requirements of state laws. Our staff is available to help you understand this information. Please contact Elk Rapids Schools Authorizer Bryan F. McKenna at [bmckenna@erschools.com](mailto:bmckenna@erschools.com) for help if you need assistance.

The Mill Creek Academy AER is available for you to review electronically by visiting [millcreekpsa.com](http://millcreekpsa.com), or you may review a copy in the main office at your child's school. Each school will also be communicating its own AER to parents directly.

For the 2024-25 school year, schools were identified based on previous years’ performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2023-24. Some schools are not identified with any of these labels. In these cases, no status label is given.

School Name	Status Label
Mill Creek Elementary	No Status Label

In our first year of existence, Mill Creek Academy students have performed at or above all state averages for students on measures of academic achievement on state standardized tests, including Mstep, and NWEA. The district will work within our Strategic Plan and MICIP process as a means to improve student achievement.

Sincerely,

Bryan F. McKenna  
Superintendent/Authorizer
