DISCIPLINE POLICY:

All programs have been developed to provide a warm, positive environment which meets that children’s daily needs. There are times when discipline problems occur and need to be dealt with. The following discipline guidelines have been developed in support of this environment.

The Child Care Bill of Rights outlines the behavior expectations for all programs:

- ★ *We have the right to be safe at child care*: this means do not hit; do not push; do not hurt anyone.
- ★ *We have the right to be treated with kindness and respect at child care*: this means to be kind to all; be fair to all; do not hurt others’ feelings.
- ★ *We have the right to hear and be heard at child care*: this means do not interrupt; do not disturb others.
- ★ *We have the right to have personal property respected at child care*: this means be careful with all things; do not take or mistreat things that belong to others.
- ★ *We have the right to attend a clean and orderly child care*: this means show respect for school property; clean shoes before entering the building; do not litter.
- ★ *We have the right to know that everyone is respected at child care*: this means be considerate; cooperate with adults and children; do not talk back.

Staff will use positive redirection and other methods of discipline, which will be handled on an individual basis with special emphasis on positive reinforcement that encourages self-control, self-direction, self-esteem, and cooperation. Verbal encouragement is used to reinforce positive behavior. If a problem arises, Parent will be notified and every effort will be made to improve the situation. The children are encouraged to solve problems through the use of words rather than through physical means.

The following means of punishment are prohibited:

- Hitting, spanking, shaking, biting, pinching, or inflicting other forms of corporal punishment.
- Restricting a child’s movement by binding or tying.
- Inflicting mental or emotional punishment, such as humiliating, shaming, or threatening.
- Depriving a child of meals, snacks, rest, or necessary toilet use.
- Excluding a child from outdoor play or other gross motor activities.
- Excluding a child from daily learning experiences.
- Confining a child in an enclosed area, such as a closet, locked room, box, or similar cubicle.
- Not putting vinegar, hot sauce, or soap in a child’s mouth.
- Time out is not an appropriate method of discipline for children under three years of age.

Non-severe and developmentally appropriate discipline or restraint may be used when reasonably necessary, based on a child’s development, to prevent a child from harming himself/herself or to prevent a child from harming other persons or property, excluding those forms of punishment prohibited and listed above.

In the case of unacceptable behavior, the Staff will help the child understand the situation and restate the limits. If the behavior continues, the child will be removed from the situation. Parent will be contacted if the behavior continues to be a problem. If the behavior problems persist the Program Director and Supervisor will consult in order to determine appropriate actions up to and including dismissal from the program.

If we feel that a child is not adjusting to the program, we will advise Parent and suggest other options.

OUTSIDE TIME:

The children play outside everyday, weather permitting. Extremely cold or rainy days are the only exceptions. Children need to have clothing that is appropriate for the weather. FIELD TRIP TRANSPORTATION:

Preschool children may take field trips during the school year. When field trips require transportation, children will be transported by Elk Rapids Schools' school bus. Parent will give written permission annually for routine transportation. Any transportation not considered routine, such as field trips, require a signed permission slip prior to departing for a field trip. Program Director will provide written permission slip and additional cost (if applicable) for each field trip, or a listing of multiple field trips, for the Parent to give permission including field trip date, departure & arrival time, location and cost. If you do not want your child to attend one of the scheduled field trips, you will need to find alternative care for your child on that day.

ROUTINE BUS TRANSPORTATION: *For Preschoolers*

Elk Rapids Schools provides bus transportation for children enrolled in the "*Wee*" Are ER Preschool, restrictions do apply. The bus is available for new preschoolers 1 week AFTER the actual beginning of school. Returning Preschoolers will be allowed to ride the bus at the start of the school year. Parent will be notified by the Transportation Department when pick up/drop off is available. Please DO NOT assume that a Preschool student can ride to school with an older child.

Your child must be enrolled with the Transportation Department and have completed paperwork and approval **PRIOR** to riding any school bus. This is due to schedule & route adjustments that occur at the start of the new school year. The State of Michigan Department of LARA has rules in place for the amount of time a Preschool age student can ride the bus, this is a rule we strictly adhere to due to changes at the beginning of the school year. The Program Director supplies Bus Transportation Forms for Parent to complete.

STATE OF MICHIGAN CHILD DEVELOPMENT & CARE PROGRAM (CDC):

This program is a child care subsidy offered by the State of Michigan to offset the cost of child care for families. Parent must contact local county CDC agency** for approval and program questions.

Each Parent is responsible to pay all of the weekly fees until CDC program authorization is received by Elk Rapids Schools Billing Coordinator. Parent should apply for services and receive authorization directly through the CDC for childcare reimbursement. After authorization is received, the Parent must complete a separate "attendance sheet" that is provided by the Billing Coordinator and located under the program specific "attendance sheet". The Billing Coordinator will submit the attendance time to the State of Michigan for reimbursement using this separate attendance form.

Parent tuition account will be credited with CDC funds, Elk Rapids Schools receives direct payment from the CDC - State of Michigan. These payments may not cover the full amount of your entire child care costs.

Parents are responsible for paying any difference between Program fees and the amount paid by CDC. Billing Coordinator is able to help answer any questions you may have about this program. Parent is responsible for program registration fee, fee up to \$65.00 reimbursed by CDC.

- There should be no past due balance
- A current or prior outstanding balance will preclude your child from enrollment in all district child care programs (**no exceptions**)

Those who wish to discontinue the program are responsible to give **one week notice, or pay fees for one week to make up for lack of notice.** If you are contacted two times or more by the Billing Coordinator regarding an outstanding balance either by notice on tuition statement or phone call, a late fee of \$10.00 will be applied to your account. Additional late payments will result in discontinuation of services.

Each WEEK you will be provided a BRIGHTWHEEL statement of your account payment activity. If your email address changes, please update with the District Tuition Based Program Supervisor. BRIGHTWHEEL will email a weekly statement of the current month’s account payment activity. For payment issues, Billing Coordinator can use Parent contact methods of: verbal/phone contact and/or written statement reminders of need to make a payment. Accounts with significant past due balances may be referred to a collection agency. Parent experiencing payment difficulties are encouraged to work with the Billing Coordinator and District Tuition Based Program Supervisor as soon as possible so as to avoid having to withdraw a child from the program. Communication with the Billing Coordinator is extremely important, please participate in communication efforts.

Annual child care expenses paid **tax statements** can be accessed via BRIGHTWHEEL. An EIN number can be provided by the District Tuition Based Program Supervisor by email request.

If an “*Wee*” *Are ER Preschool* account balance that exceeds \$300.00 at any given time; or *Kids’ Club* account balance that exceeds \$150.00 at any given time, you will be subject to child being removed from all programs until your balance is paid in full.

For accounts that become PAST DUE or over \$150.00 or \$300.00 balance:

1. First Request, email tuition statement notification: Parent/Guardian will receive a notice on the weekly emailed tuition statement stating the account is past due or over the handbook policy limit and date which payment should be received on.

2. Second Request, warning: Parent/Guardian will receive an email/tuition statement notification, stating that if the account is not paid, the child may be removed from the program until the balance is paid in full. A carbon copy “cc” of the second request will also be sent to the District Tuition Based Program Supervisor who may reach out to you for payment status. A letter may also be mailed/given stating the same warning if Parent does not use email.

3. A Payment Plan may be offered on accounts with a significant balance, please discuss with the Billing Coordinator or District Tuition Based Program Supervisor.

ADMISSION, DEPOSIT, TUITION FEES & SCHEDULES:

Admission:

A child must be **3 years of age by September 1, 2024** and fully toilet trained to enroll in the “Wee” Are E. R. Preschool. Fully toilet-trained means that the child knows when he/she has to use the bathroom, can manage most of his/her self-help needs when toileting and is able to communicate his/her toileting needs to an adult Staff member in a timely manner (NO diapers or pull-ups are permitted due to licensing rules for our Centers).

Children/families will have priority based on previous enrollment in the program, the number of days per week enrolled, and timely return of **completed** Enrollment Registration and non-refundable registration fee to the Program Director. We reserve the right to place students on a waitlist status on an as needed basis. Enrollment and attendance in “Wee” Are ER Preschool does not guarantee your child's enrollment into Elk Rapids Public Schools nor preference to which school your child will attend in Kindergarten. School of Choice and elementary boundary lines will play a role in determining placement for kindergarten.

Children must be enrolled for 3, 4 or 5 consistent days per week at Mill Creek Elementary and 5 days at Lakeland. Children seem to adapt to a group setting easily when a routine is followed on a consistent basis. Each child enrolled in Preschool must have the **completed enrollment, non-refundable registration fee, Health Appraisal including Immunizations, and Child Information Record** on file before he/she can attend.

Parents need to provide a blanket or towel for use during rest time, please label with the child's name.
